

## Quality Policy

Customer satisfaction is a key objective for Nexans Hellas S.A. and the project “Customer focus” aims at its achievement.

In the framework of this project Nexans Hellas S.A. develops, implements, maintains and continuously improves the Quality Management System (QMS) according to the company’s activities, thus focusing on customer satisfaction.

The QMS has been developed according to ISO 9001 and fully complies with all its requirements. The company’s management undertakes the responsibility to comply with the applicable requirements and to continuously improve the QMS effectiveness.

Setting objectives and monitoring their implementation is fundamental for the quality policy of the company. The review of these objectives is done according to the QMS procedures.

In order to achieve the objectives of the quality system, the company has all necessary resources and trains its personnel, in order to improve their competencies.

The company has certified its QMS in accordance to ISO 9001 by an independent certification body, so as to ensure the effective implementation of the system.
